## BOY'S SPORTS

The Crowning of the Homecoming Queen

Nineteen-fifty will long be remembered by "Vooites" because in that year our school had a basketball team back in the running. "Voo" was accepted as a member team in the Y-Industrial league. There competition is tough and plenty rough. We also played some independent teams and a few college teams. College games were with Centralia Township Junior College, the Hanover College "B" team, the Evansville College "B" team, and Oakland City College. In a holiday tourney of independent teams the Trailblazers brought home the second place trophy and the Good Sportsmanship trophy. The boys had a fair season for a starter and are looking ahead to good basketball in the V. U. future.

The team was weakened slightly by the loss of Ed Cone, Bicknell, Harold Johnson, Nelson Van Fleet, and Arnold Vermillion, all of Vincennes, who joined the Navy during the school year.

On February 17, a homecoming game with Oakland City College was observed. A queen was crowned and a dance at the Vincennes Country Club followed the game.

Inter-mural basketball held the limelight this winter for the men students at Voo. Those who were not on the varsity team and some who were, enjoyed the great Hossier sport. A tournament was held but at the time of writing no victor had come forth from the Alphas, Betas, Deltas, or Sigmas.
